Brahma Kumaris Oxford Global Retreat Centre

Since 1993, the Brahma Kumaris World Spiritual University (UK) has leased the Global Retreat Centre at Nuneham Park, Oxford. The centre sits on 55 acres of beautiful, historic gardens with views of the Thames, tucked away in the peaceful Oxfordshire countryside. It's the perfect spot to step back from busy modern life and reconnect with a sense of calm, strength, and inner peace. Over the years, thousands of visitors have come here on their own personal journeys, seeking to understand who they truly are.
